CHECK LIST FOR PERMISSION TO FLY A DRONE IN THE SOUTH HAMS

Questions for drone pilot / company	Questions for the Council
Where do you want to fly / take off and land the drone / what is your flight plan?	Do we own the land you propose to use? Does this pose any problems?
Have you completed a risk assessment / site visit prior to the filming?	Do we have a copy?
Do you have liability insurance?	Do we have a copy?
When do they want to fly the Drone?	Are there any events/ site works which might conflict with this?
Do you intend to cordon off an area for the landing / take off / flight?	Is this degree of restricted area possible?

Is the drone filming?	Do they have permission from the people / building and places that they intend to film?
Who is the named pilot?	Who is the named person who is going to monitor the activities?
Does the drone have a failsafe function / return home function?	Are there any special measures which need to be put in place for this specific shoot?
Who else to you intend to notify about your proposed flight?	Who else in PCC needs to know / be advised about this flight?
	Has location fee / overtime fee being agreed?
